

EASV-A100 Series

Features

- SV-A100 / A125 are high quality systems for suspended, frameless sliding glass doors. Ideal for medium weight dividers and doors for home or commercial use.
- Applications for panels of 100 and 125 kg in weight per panel.
- There are also options for a fixed panel (F) thanks to the addition of tracks for this solution.
- High quality clamps and ball bearings with nylon rollers to ensure an exceptionally smooth and silent action.
- Vertical adjustment of +/- 5mm.
- No glass machining is required for any of the solutions.
